Accessories

Bookcase Sign Holder

We can supply a flexible, attractive signage system with Bookcase Sign Holders comprising an acrylic sleeve in a grooved block fitted to the top of the bookcase.

Signage Headers

Printed guiding inserts, which slide easily into the acrylic sleeves, are available from a range of attractive designs with your choice of text. If you would like a quote to add the signage system and headers to your bookcases, please contact us.

Display Shelf

You can substitute a display shelf for a reversible shelf, at no extra cost, to create eye-catching displays. Holds up to 10 face-forward standard-size paperbacks (two deep). Please state required number of display shelves when ordering.

Waterfall Display Unit - £150

Our unique Waterfall Display Units create instant eye-catching, face-forward display. A Waterfall offers capacity for up to 48 standard-size paperbacks (two deep). It sits safely on the second shelf of the bookcase and can be easily moved to another bookcase to keep your displays dynamic.

Mobile Bookcases

Retail-style shelving - good-looking and easy to merchandise, easy to browse.

Bookcases are supplied with four of our unique, reversible L-shaped shelves which can be turned to take large and small format books. Shelves are supported on pins which are easy to move to adjust shelf heights or to change from shallow setting to deep setting.

Shallow setting

Turn shelves this way for standard size hardback/ paperback fiction and non-fiction.

Deep setting

Turn shelves this way for large format books which would hang over the edge of a standard depth shelf.
